In the capital lease agreement, the lessee (the one who rents the asset) does not end up owning the leased asset, until the end of lease agreement period. At the end of the lease term, the lessee has an option to buy the leased asset. Before you start figuring out the accounting entry of a capital lease agreement, you need to ensure that the lease is actually a capital lease and not an ...

An airline is a company that provides air transport services for traveling passengers and freight. Airlines utilize aircraft to supply these services and may form partnerships or alliances with other airlines for codeshare agreements. Generally, airline companies are recognized with an air operating certificate or license issued by a governmental aviation body.
