The Sleeping Venus, also known as the Dresden Venus, is a painting traditionally attributed to the Italian Renaissance painter Giorgione, although it has long been usually thought that Titian completed it after Giorgione's death in 1510. The landscape and sky are generally accepted to be mainly by him. In the 21st century, much scholarly opinion has shifted further, to see the nude figure of ...

Although each stream looks alike outwardly, they are vastly different. The one on the left is known in our literature as the Sons of Cain. They are full of positive energy and are the craftsmen of the world, the phree-messen, who carve their way through life, rather enjoying the obstacles which they know strengthen the character; they
