Education in China is a state-run system of public education run by the Ministry of Education. All citizens must attend school for at least nine years, known as the nine-year compulsory education, which is funded by the government. Compulsory education includes six years of primary education, starting at age six or seven, and three years of junior secondary education (junior middle school) for ...

Education in China - Wikipedia

The Elementary and Secondary Education Act (ESEA) was passed as a part of United States President Lyndon B. Johnson's "War on Poverty" and has been the most far-reaching federal legislation affecting education ever passed by the United States Congress. The act was an extensive statute that funded primary and secondary education. It also emphasizes equal access to education and establishes high ...
