Information for publishers. Associations and other publishers who wish a review of new books, CDs, or software related to cost engineering, quantity surveying, or project management to be included on this page should send desk copies, with pricing and ordering information to:

International Cost Engineering Council, cost engineering

Architect Field Report. An Architect Field Report (AFR) is a required report where the architect visits a field site and produces a report to keep the owner apprised of construction progress and the quality of work being completed. It is a record of a project's progress, job site decisions, concerns and is typically issued by the architect after each field visit.
