Those are my go-to interview questions. But, like many, I adjust the questions based on how a candidate responds. When I am the one being interviewed, I am thinking about these questions too. I want to be sure to communicate my beliefs about assessment, curriculum, mindset and feedback even if I am not asked directly.

Interview Questions for Math Teachers â€“ Math Fireworks

This website holds a collection of past interview questions for students who have applied to Oxford University or Cambridge University (Oxbridge). The aim is to provide a free resource to help prospective students get a flavour of the sorts of questions that they might get asked.
