Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

Latin American art is the combined artistic expression of South America, Central America, the Caribbean, and Mexico, as well as Latin Americans living in other regions.. The art has roots in the many different indigenous cultures that inhabited the Americas before European colonization in the 16th century. The indigenous cultures each developed sophisticated artistic disciplines, which were ...
